Sir:

PETITION UNDER 37 C.F.R. 1.47 (a)

The applicant hereby submits the present petition since one of the inventors in this application, Vernon J. Donnelly, is unwilling to execute the declaration.

The present application claims priority from International Application PCT/GB03/03471 filed August 7, 2003 and British application 0218318.4 filed August 7, 2002, naming inventors Vernon J. Donnelly and Vincent J. Garvey. The present application was filed in the United States Patent and Trademark Office on February 7, 2005.

On February 17, 2006, a copy of U.S. Patent Application Serial No. 10/523,848 (the " '848 Application"), a copy of the declaration and power of attorney for the '848 Application, and a prepaid return-addressed air mail envelope was sent by the undersigned attorney to Mr. Vernon J. Donnelly at Mr. Donnelly's last known address of 54 Meadow Crescent, Saddlestone, Braddan, Isle of Man IM2 1NL. The aforesaid materials were sent by FedEx Express, including a cover letter to Mr. Donnelly. The cover letter requested Mr. Donnelly sign the declaration and power of attorney,

and return the executed materials to the undersigned attorney via the prepaid self-addressed envelope by March 3, 2006. The cover letter further indicated that if the aforesaid materials were not executed and returned to the undersigned attorney by March 3, 2006, then the undersigned attorney would indicate to the United States Patent and Trademark Office that he, Mr. Donnelly, was unwilling to execute the declaration. A FedEx Customer Support Trace establishes that the package containing the cover letter, '848 Application, declaration, and pre-paid return-addressed envelope were received and signed for at Mr. Donnelly's last known address by S.R. Sawgerr. A copy of the cover letter, the FedEx International Waybill, and the FedEx Customer Support Trace are attached hereto.

Applicant provides herewith a declaration from the undersigned attorney stating the circumstances establishing that Mr. Donnelly is unwilling to execute the required declaration required for the '848 Application. Pursuant to the Decision of January 24, 2006 from the PCT Legal Office, applicant understands that: 1) the declaration from the other joint inventor Mr. Garvey has been received; 2) the requisite fee has been paid; and 3) the last known address of the unwilling inventor Mr. Donnelly has been provided. If any additional fees are due, please charge 50-3381.

The applicants represented hereby respectfully request granting of this petition in order to complete the application filing process and prevent irreparable harm to Strix Limited.

Respectfully submitted,

Richard D. Getz
